Welcome to IGR Care Services Ltd

At **IGR Care Services**, we are committed to empowering individuals to lead fulfilling lives through our supported living services. Our mission is to foster independence, promote dignity, and ensure safety in a nurturing and comfortable environment.

We recognize each individual's unique journey and provide holistic care that fosters belonging, supports personal goals, and enhances emotional, physical, and social well-being.

Through our tailored care, we strive to create a welcoming space where every resident feels valued and respected.

Whether it's assisting with daily living, supporting personal goals, or encouraging social connections, we are here to make a positive difference in the lives of those we care for.

Our Vision

"To empower individuals with opportunities for meaningful, active, and fulfilling lives within supportive, high-quality living environments that they can truly call home."

Our Person-Centered Approach

At **IGR Care Services**, we are dedicated to placing the individual at the heart of everything we do. Our person-centered approach ensures that every person has the autonomy to shape their life, home, and care in a way that suits their needs and preferences.

- I decide who I live with.
- I enjoy the freedom of having my own home.
- I choose who supports me and how I am supported.
- I take an active role in my community.
